

# 2013 Kentucky Residential Code

## Energy Conservation Construction Principles

**HOSTED BY:** The Kentucky Department of Housing, Buildings and Construction (DHBC) & Department of Energy Development and Independence (DEDI)

**INSTRUCTORS:** Southface Energy Institute

**FOCUS:** Understanding the principles behind code requirements and how to quickly apply these code-compliant techniques to your current construction practices

**WHO SHOULD ATTEND:** Home builders, subcontractors, construction professionals, code officials, and other interested individuals

### Upcoming 2016 Classes (each class is \$25)

| <b>Course</b>                                             | <b>Date</b> | <b>Location</b> | <b>Register</b>                                           |
|-----------------------------------------------------------|-------------|-----------------|-----------------------------------------------------------|
| Thermal Envelope – Air Sealing and Insulation Principles  | October 17  | Bowling Green   | <a href="http://bit.ly/1Ps3DM0">http://bit.ly/1Ps3DM0</a> |
| Common Compliance Challenges: Observations from the Field | October 18  | Bowling Green   | <a href="http://bit.ly/1t717kD">http://bit.ly/1t717kD</a> |
| Common Compliance Challenges: Observations from the Field | October 20  | Burlington      | <a href="http://bit.ly/289pAFU">http://bit.ly/289pAFU</a> |
| Common Compliance Challenges: Observations from the Field | November 7  | Ashland         | <a href="http://bit.ly/1Z0vCCS">http://bit.ly/1Z0vCCS</a> |
| Common Compliance Challenges: Observations from the Field | November 8  | Pikeville       | <a href="http://bit.ly/1MHLZIT">http://bit.ly/1MHLZIT</a> |
| Common Compliance Challenges: Observations from the Field | November 10 | London          | <a href="http://bit.ly/1Mi1Li3">http://bit.ly/1Mi1Li3</a> |
